**DETAILED ACTION**

1. According to the "Amendment" received November 8, 2004, claims 1, 3, 8 and 14 have been amended; claim 5 has been canceled; and claim 15 has been added.

***Allowable Subject Matter***

2. Claims 1-4 and 6-15 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Regarding independent claim 1, the prior art fails to disclose or make obvious an apparatus for variable focusing particles comprising a magnetic structure having a long dimension and a short dimension; an upper magnetic and a lower upper magnetic core with long dimension between its ends; a plurality or coil units distributed along both said upper and lower core members each said coil unit comprising a single continuous electrical circuit that surrounds an individual core member; end additional magnetic members connected between ends said upper and lower magnetic core members to form the short dimensions a plurality of coil units distributed along both additional magnetic; and means for independently exciting said upper and lower coil units by currents which are in one direction for the coil units distributed along said upper magnetic core member and in the opposite direction for the coil units distributed along said lower magnetic core; and means for independently exciting said coil units distributed along one or both additional magnetic members.

Claims 2-4 and 6-8 are allowed by virtue of their dependency on claim 1.

4. Claims 9-14 were allowed in a previous office action.

Regarding independent claim 15, the prior art fails to disclose or make obvious an apparatus as in claim 1 further comprising coil units around the short arms of the apparatus.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance"

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance"
